

How to Log Into Your 401(k) Account

- 1) Go to www.YourFFH.com and select your 401(k) plan
- 2) Press the login button to view your 401(k) online. This will take you to a login screen where you will enter your username and password.
- 3) You can also change how much you are saving and take care of other items at www.YourFFH.com

Your default user name is your SSN and the default password is the last 4 digits of your SSN. You will be prompted to change

To speak with someone about your account or to get your investment and retirement questions answered call (800) 754-9933 or send an email to Service@YourFFH.com
